ABOUT  
PROBLEM

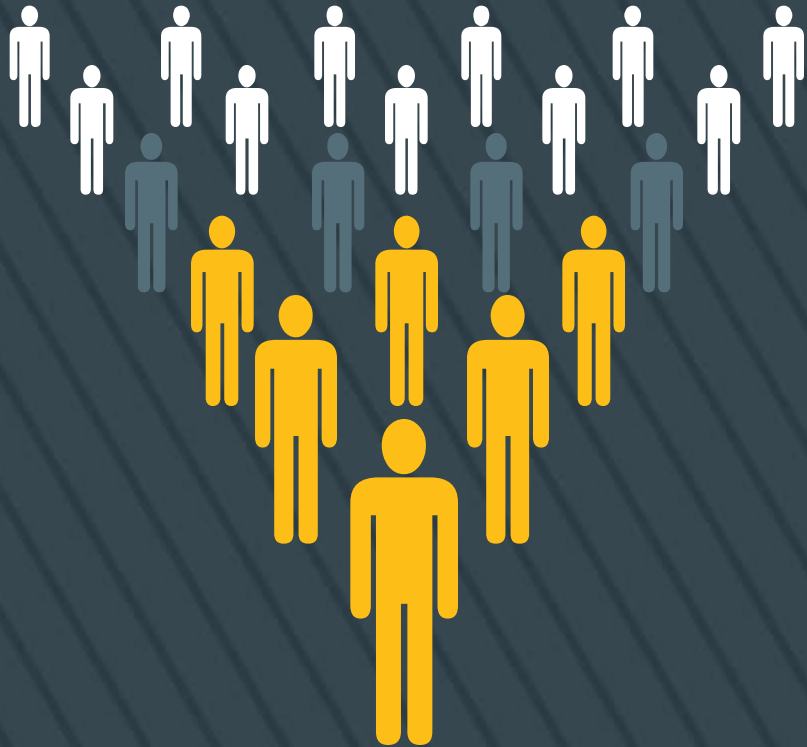

POPULATION EXPLOSION

## POPULATION EXPLOSION

Is it a boon or a curse? Population can be a boon if a country has required resources to exploit its population to its benefit. Excess population for developing countries like India is a curse.

17.7%

of world's population inhabits  
in India.

3.9%

Contribution to World's  
Economy

Indirectly contributes to  
high illiteracy rate.

Causes increase in  
poverty rate

Loss of biodiversity to feed  
and accommodate.
